

**WHAT: National Farmers Union
All-States Leadership Camp**

WHEN: July 13-18, 2008

WHERE: NFU Education Center, Bailey, CO

THE MISSION: Your mission, if you should choose to accept it, is to join the best of the best — active Farmers Union young people from across the country — for a leadership event in the spectacular Rocky Mountains.

Under the theme “Project Citizenship” you will explore your role as a community and organizational leader, advocate and citizen. You will discover the power of one through individual activism and the strength through cooperation and teamwork. You will also participate in outdoor activities, field trips, theme nights, a talent show and dances.

If you are up for the challenge, contact your state Farmers Union headquarters for more or information, or contact Laura Johnston Monchuk at 202.741.9410, laura.monchuk@nfu.org.
