With other young Farmers Union leaders from across the nation and a stunning mountain backdrop, you will explore your potential as a community and organizational leader, advocate, and citizen.

And, of course, there will be fun theme nights, outdoor activities, inspirational speakers, nightly dances, a talent show showcasing your creative flair, and plenty of your favorite Farmers Union songs!

To learn how you can qualify, contact your state Farmers Union office or Brittany Jablonsky at 202.554.1600 or bjablonsky@nfudc.org.
