

KIDS FUN DAY

APRIL 19, 2008

MAY FARMS – BYERS, CO

10:00 AM TO 2:00 PM

On April 19th, you'll want to be where the kids are — May Farms! May Farms is located just minutes east of Denver. There will be something for everyone, including fishing, cooperative games, renewable energy activities, planting a garden, hayrides, scavenger hunts, plus much more!

- **Grades 1-6**
- **\$5 per child**
- **Bring a sack lunch**

We believe in providing quality programs about agriculture and the environment. Students

experience the rich and diverse life of a Colorado farm by working, learning, smelling and feeling the experience. Programs are based on a “hands-on” approach that teaches in a meaningful and lasting way.
